- If you have insurance that covers acupuncture, we will gladly submit your claims for you. You are responsible for your deductible, your co-pay and/or co-insurance amounts. Please verify that your insurance is current, and that it will cover the medical services provided by a Licensed Acupuncturist. We are in-network with most insurances. ***If your insurance denies payment of a claim, or does not cover a specific service provided by Many Paths Clinic, you are responsible for the billed charges.***
- An example of services commonly used in this clinic that some insurance companies are now applying as 'physical therapy' services, may not be covered, therefore will not pay for items such as infra-red lamp, Acupressure-Shiatsu, and other forms of "manual therapy". Check your insurance Summary Plan Description or Explanation of Coverage booklet for a detailed list of covered services and exclusions. **You have the right to decline these services when offered.**
- If paying out-of-pocket (in lieu of submitting to insurance), the typical first visit ranges from \$120-\$188 and continuing care visits range from \$90-\$156 (depending on the time and complexity of the session). The average visit is \$90.00 with a payment due at time-of-service. The number of visits is dependent on the severity and/or chronic nature of the issue.
- Cash, checks, HSA cards, or debit/credit cards accepted. Mastercard or Visa only.
- **Your appointment time is reserved specifically for you. In the event of a missed appointment or an appointment cancelled with less than 24 hours notice, you may be charged a \$45 fee. Insurance will not pay for a missed appointment.**
